	1 piece		Очень долго, трек не отслеживался. За задержку заказа сначала обещали подарок, потом сказали что не их политика компании и подарка не будет. я настоя, тогда предложили два варианта каких то женских купальника, ключевое ЖЕНСКИХ. Зачем они мне? В итоге я им сказал просто пришлите уже мой заказ и вот оно свершилось чудо заказ наконец то пришел. Пришлось открывать спор. В общем очень долго все это тянулось. Ужасный продавец категорически не рекомендую!!!!

Product reviews:
This seems like a bootleg version of the game. I have seen at least 3 other game sets to know what it should be. The cards are made of cheap paper and not laminated, the tokens are smaller than office, it is missing the insert tray to hold all the contents, and the instructions look like a photo copy of a chinese version of the instructions. There are no english instructions making this game pointless unless you already know how to play

Product reviews:
I would never use this seller again, he never replies to any messages, delivery time is well off, the item comes damaged to all hell. Box literally fell apart in my hand from where its been smashed to bits. The "pokemon" cards are complete mess. I got a pikachu card which says chinchou. Very low quality card. Got a GX on a really bad base paper very flimsy. Was in the same pack as a tapu lele gx. Cards are not all facing the same way. Only 9 cards in a pack which realistically has 11. I gathered I couldnt do anything with these cards so opened a few packs and I keep getting 2 GX per pack with the Solgaleo GX which is always poor condition and also a lot of these "chinchou pikachus". Now received a chinchou with a lantern picture. Anyways enough about the defects. They say in their description that you can get a partial refund if not happy. Well they dont reply to messages so you cant do that.
